## CUMBRIAN BEER

### Ennerdale Brewery

This is what the brewery says about itself:-

*Tucked away in one of the most beautiful and inaccessible valleys of the Lake District, Ennerdale Brewery produces a range of fine cask and bottled ales. These are brewed using traditional methods and include only four natural ingredients: Spring water from Kelton Fell behind the brewery; English malts (freshly kiln-dried and milled for us - no cheaper alternatives!); whole hops; and yeast which we re-harvest from each fermentation for future brewing in order to maintain the distinctive and established Ennerdale flavour.*

Ennerdale Brewery beers come in 500ml bottles

**Blonde (3.8%)** £3.00

A fruity, golden beer with a heady burst of floral hop aroma & a satisfying clean bitterness.

**Darkest (4.2%)** £3.00

A more potent brew, and remarkably quaffable! With a rich, velvety texture, a definite chocolate flavour and a creamy head, this has converted many a "light" beer drinker to the dark side.

**Black Sail Bitter (3.9%)** £3.00

An amber coloured bitter, with a good hop character, fruity flavour and a crisp finish, perfect after a long day on the fells!

## OTHER ALCOHOLIC DRINKS
